  <body>
    <p>
      Rupee is the first canine on record to travel for 10 days to Everest
      base camp with his owner, Joanne Lefson, taking him to the lofty altitude of 17,000 feet.
      Joanne found Rupee when he was a starving puppy on the streets of Ladakh, India and took
      him home to South Africa. They returned to India just months later for their challenge - a
      mountain trek up Everest
    </p><br>
    <p>
      Laika was a true space dog and the first living creature launched into
      orbit around the Earth. Soviet Leader Nikita Krushchev wanted his engineers to follow up
      Sputnik 1 with a "space spectacular" - and they didn't fail them.
    </p><br>
    <p>
      Accompanying her owner on his Arctic expeditions, Titina was the first
      dog to reach the North Pole. The fierce little brown-and-white fox terrier was the
      inseparable companion of Umberto Nobile, an Italian inventor and airship pilot. His dog was
      his most loyal crew member - a faithful companion who stood only 10 inches high, weighed
      about 12 pounds and once barked down a polar bear.
    </p><br>
    <p>
      In 1974, Ashley the whippet and his owner halted a nationally
      broadcast baseball game by dashing onto the field and performing frisbee stunts in front of
      an astonished audience. Both canine frisbee and Ashley became instant celebrities, and
      their disc-catching game turned into the annual Frisbee Disc Canine Championship.
    </p><br>
    <p>
      American soldier Lee Duncan found the canine star of the silver
      screen on a French battlefield. Rin Tin Tin, who was famously cited in a divorce case and
```

drank milk from a champagne glass, got his big break when he starred in the Warner Bros.' film Where the North Begins, which is believed to have saved the studio from bankruptcy.
